## WHAT IS SERVANT EVENT?

Servant Event is a fun, exciting, and meaningful week for senior high youth. Pastors/Youth Leaders will have time to work side-by-side with their high school youth group at direct-service agencies in the Wilmington area. The week also has time spent on group building, surfing, exploring Wilmington, and hanging out at the beach! Each event is somewhat different depending upon our ability to match services with the needs of the people with whom we are working.

## WHAT ARE THE GOALS OF SERVANT EVENT?

- ✦ AWARENESS - of who all our neighbors are, not just the ones with whom we typically associate with; of the needs that surrounds us; of the gifts we each posses as children of God to meet those needs
- ✦ VISION - of the Biblical understanding of serving; of how the world can be when we serve those in need
- ✦ APPRECIATION - for the services and organizations that are in place in our communities; for the people sharing their gifts with those in need
- ✦ EMPOWERMENT - of participants leaving the Servant Event, not paralyzed into inaction by the overwhelming problems in the world, but assured that each one of us can and does make a difference
- ✦ LIFESTYLE CHANGE - of all Servant Event participants - that they consider what this week means for the rest of their lives. Service does not end when our time together at the beach ends, but it becomes a way of life as we share our experiences with friends, family, church members, and neighbors and strive to live out our gifts and serve wherever we are!

## WHO IS THE LEADERSHIP FOR SERVANT EVENT?

Ava Whitehead, program director, and Pastor Dan Keck, ministry partner, will set up and plan your program. An A+KB summer staff member will be with you to guide your servant event. Your adult chaperones will be in charge of supervision of your group at all times, and will be called upon to share in some small-group leadership (all small-group materials will be ready to pick up and lead with little or no preparation).

## HOW DOES THE SCHEDULE WORK FOR SERVANT EVENT?

Typically the beginning of each day will be devoted to the service-learning projects. The afternoon will focus more on understanding and appreciating the unique aspects of living and playing on the beach

(yes, you might have to actually play on the beach). Throughout the week we will have some time devoted to devotions, Bible Study and Worship. On our last night of camp together, we like to close with a service of affirmation, where participants will be called upon to affirm each other.

## WHAT PROJECTS WILL WE DO?

Elements of the week could include working with:

- A homeless shelter, helping them with projects around the facility
- The local state park, serving the environment through beach clean-up and trail maintenance
- A retirement community, walking with seniors, visiting with them
- A local Senior Adult Center, gathering for games and talent night
- A food pantry, distributing food and serving food during a street feeding

## WHAT OTHER ACTIVITIES COULD WE DO?

These activities could include:

- Sun bathing and wave crashing on the beach (the beach directly in front of our facility has a lifeguard station occupied by Kure Beach lifeguards)
- A Surfing program through Surf Camp (this activity is scheduled for each program week at a specific time and the cost is included in the camper program fees. If your chaperones would like to participate, then it will be an additional \$50)
- Visiting the Kure Beach pier
- Visiting the local shops in Carolina Beach Riding the ferry to Southport (cost (~\$2 not included)
- Fort Fisher Historical Site, with remnants of the American Civil War and small museum focusing on the pivotal battles for control of the port of Wilmington
- Wilmington Front Street shopping and shipyard with a tour of the USS North Carolina (cost not included of battleship tour)

## HOW DOES TRANSPORTATION WORK?

Congregations will need to use your vehicles to travel to and from different service sites. Groups need to plan for trips from Kure Beach to Wilmington almost daily, which can add about 100 miles per vehicle to your total trip. We will split your group up for service projects because most non-profits are not equipped to take large groups at their site. We ask that congregations take this into consideration

when planning their mode of transportation (i.e. minivans are ideal, while large church buses are not!).

## WHERE DO WE STAY?

Depending on which week, you could either be housed at our Kure Beach Lutheran Conference Center or a beach house (similar facilities), just down the road from our the Center. Our minimum group size is 12 campers (not including chaperones). If your group has fewer than 14 campers, we reserve the right to recruit other participants. For the Kure Beach Lutheran Conference Center, maximum is 30 campers, 34 with adults.

## WHAT DO WE EAT?

At Kure Beach, we do not have our own food service program operating on a regular basis. Most breakfasts (bagels, cereal, toast, juice, etc.) will be prepared by the servant group members in the kitchens of our lodging facilities. Lunches and dinners will be a combination of meals prepared for us by our Kure Beach staff, caterer, and community members. All meal costs are covered in your registration, including a fancier Wednesday night meal. Depending on our ability to have our caterer cook for us, Wednesday's dinner might be at a restaurant, and your group will be informed of any additional needs for that meal beyond the \$15.00 per person the camp will pay for.
