

DIRECTIONS TO CAMP AGAPÉ
FROM SANFORD AND POINTS WEST:

(Sanford and areas near I-74 corridor between Monroe and Laurinburg)

In general, any directions have potential to be confusing for many people, especially to a place well secluded from the bustle of traffic and city roads. In order for directions to be effective, you must trust in them and not second-guess what is written. If you follow our written directions exactly (especially where exact distances are underlined), you should arrive without getting lost along the way.
