

Project Learning Tree

April 10

The Project Learning Tree workshop is fun, hands-on, action-packed, and informational. PLT is for anyone interested in natural resources and environmental education. This workshop offers educators exciting new activities to use in teaching science, math, language arts, social studies, and environmental studies.

Cost: \$20 | **Register at:** http://go.ncsu.edu/ncplt_agape

Project WET

August 28

Water Education for Teachers

This Project WET workshop is geared toward teachers, non-formal educators, scout leaders, and other youth leaders interested in teaching about water. The goal of Project WET is to facilitate and promote awareness, appreciation, knowledge, and stewardship of North Carolina's water resources.

Cost: \$34.75 (\$19.75 for Project WET 2.0 Guide, \$15.00 facility use. If you need to cancel, all but \$10.00 processing fee is refundable.)

To Register: Provide name, phone number, email address with payment (payable to "Agapé Center for EE") and send to address listed below.

NC EE Certification and partial CEU upon completion

Agapé Center for Environmental Education
