WHAT IS BUILDING YOUTH GROUPS?

Building Youth Groups (more commonly referred to as “BYG”) is a retreat designed to build and strengthen the relationships in your youth group. The idea is to keep your youth group strong and growing by laying an early foundation for its future members! Bring your elementary age kids to Camp Agapé for BYG, a fun community building experience. Caring college age counselors will work with you and your campers to facilitate relationship building experiences. Before sports, music, and other extra-curricular activities fill up their schedule get your youth rooted early to help grow your youth group programs!

WHY IS BYG IMPORTANT?

- **Our youth are the church** – just like us, they are the church now-not simply the future of it. We need to use all the tools we have to support and nurture them in their faith journey
- **Our youth face more choices today than ever before.** We believe the church needs to make a stronger statement and show youth compelling reasons why our faith needs to be exciting, vital and life giving.
- We want to help congregations **build strong youth groups** before youth are bombarded with choices at the middle school level.
- We need to build a strong network of support and fun within the youth group at church so that when the choices hit – **the church and youth group is an appealing, supportive and fun choice.**
- Recent Faith Formation studies have also pointed to the value of Outdoor Ministry camp and retreat experiences in the lives of faithful people.
- We live in an uncertain, fast-paced, and sometimes frightening world. **Children need to know that they are valuable**, they are a part of a larger community, and that there is a safe place to discover more about relationships with God, others and self. Agapé ☩ Kure Beach Ministries addresses all three of these major needs.
- Children at a young age are awed by the **role-modeling and Christian witness of well-trained camp staff**, who take the time to build a relationship of trust and love with them.

AGAPÉ ☩ KURE BEACH MINISTRIES MISSION STATEMENT

Agapé ☩ Kure Beach Ministries calls and gathers all peoples to experience the Spirit through unique, small-group encounters with Christ, in Creation and Community.

GOALS OF AGAPÉ CAMP PROGRAMS

- Build self-value and identity as a child of God.
- Provide quality Christian role models in our staff who can live out their faith.
- Provide a safe environment for campers to grow emotionally, spiritually, mentally, and physically.
- Teach creation stewardship through environmental education experiences and by example.
- Develop and nurture leaders for the church and the world by focusing on camper’s call, gifts, and faith in vocation.
- Use music in a positive way to share our faith.
- Have FUN!

SO HOW DOES BYG WORK?

We invite you to bring youth grades 3-5 to camp as a group. We encourage you to bring as many as you can in this age bracket to help build comfort and trust within your group. But don't just bring the kids! Come along – bring the youth leader, pastor, or parents with your kids. Agapé invites you to bring one adult free for every seven kids you bring to camp. Additional adults come at a reduced fee. We want you to be with them as they build community. Adults from home become the touchstone to continue the relationship building back home.

WHAT WILL THE ADULTS DO DURING BYG?

Come planning to spend time each day with your kids in their cabin groups. The most important part of BYG is the time you have with your youth to work on building your own group. You will have about 1-2 hours a day as time for your church group to work on building community. The Agapé staff will not be with you during your community building time, but you can always ask for ideas! You will also have the opportunity to relax, play, worship, and grow with your kids in a unique environment away from the pressures and expectations of home.

DOES IT WORK?

We believe it does. Ask those who have tried it. We know of six other camps across the country adopting this program into their programs this past year. We believe this program can truly help to build a stronger youth group, and more cohesive confirmation class, and a more dynamic congregation. Over 25 congregations have taken advantage of this program in North Carolina.

THE PROGRAM HAS GROWN BYG-ER and BYG-EST

Because of how successful the program is congregations asked us to expand BYG! Both programs offer new curriculum and adapt to the interests of your growing youth. We make sure to include new fun elements to make these retreats different from BYG.

BYG-ER for Middle School

Let us help you continue to grow the bonds with the 6th-8th graders in your group even BYG-er as you play in the woods of Agapé middle-school style!
